

DR. DITZELL PSYCHIATRY

New York's Modern Approach
to Mental Health

About us

Dr. Ditzell Psychiatry is a psychiatry practice located on Broadway in the heart of Lower Manhattan, New York City. Specializing in adolescent, geriatric, or addiction psychiatry, Dr. Ditzell has a strong track record of handling complex and challenging cases treating various mental health conditions, including depression, anxiety, adult ADHD, PTSD, bipolar disorder, and addiction. With an in-depth understanding of psychopathology, Dr. Ditzell integrates his experiences into his approach, offering better clinical judgment, accurate diagnoses, and more effective treatment plans. Our psychiatrists bring expertise, experience, and extraordinary attention to detail to each patient, offering collaborative, high-quality care and personalized treatment services, including therapy, ketamine treatment, life coaching, medication management, medical marijuana, family therapy, couples counseling, telepsychiatry, and more. Our goal and vision are to provide each patient with extra care and compassion around NYC. Same-day appointments are available after hours, on weekends, and holidays. Dr. Ditzell is here when you need him!
