We use approved and tested pills which are administered by our registered and experienced medical professional Experts to ensure that your abortion is safe, quick and no after side effects.

Our main goal is to prevent unwanted pregnancies to enable women have children by choice. We also offer pregnancy testing and a full range of other services like treatment of pelvic pain and heavy periods.

We sell and deliver abortion pills to clients who are far from our clinics and to those who wish to undertake the termination process in comfort of their homes. We treat our clients with a distinctive care and respect.

We respect the confidentiality of all patients' interactions if you choose to include your spouse, partner, friend or family in your visit to our clinics we will welcome their participation and address any concern that they may have. Be assured that our professional expertise will provide privacy and confidential treatment and will support you all way through.
