# About us...

Study2Europe is the overseas educational consultancy wing of Synergy International Group Enterprises, a leading organization who has operations in Europe and India. Synergy International was incorporated in 2017 to equip and guide scores of students, as they strive to pursue their higher education on distant shores. Study2Europe provides students with best in class personalized counselling and comprehensive assistance in every step of the way. Apart from the Education Service, Study2Europe provides internship assistance also for our students in European countries through our mobile application SYNERGY EUROPE
